DEAR WEST POINT FAMILIES,

As residents of the Hudson Valley for 100 years, we welcome you to our historic valley and West Point campus!

We have served our community for 100 years. Our venue has evolved over the years to better serve our customers. One of our more noteworthy additions has been Grandma Phoebe's Kitchen. Named after Great Grandma Phoebe, we bake a multitude of homemade goodies. "Made from scratch like Grandma did," has been our hallmark.

We have always had a large clientele at West Point with our baked goods and have desired to expand it to our cadets.

We have decided to institute a delivery of our homemade baked goods to the Central Guard Room at Ike Barracks every Thursday.

To Order, Please call (845) 534-4445 or email customer_service@jonesfarminc.com with your order and contact information by Wednesday 12pm EST. A team member will call to arrange payment over the phone. For delivery all orders must be at least \$25.00 + \$5.00 delivery fee. All orders will be carefully baked, packed and delivered with care. We look forward to working with you!
